Re: Docket No. AB-55 (Sub-No. 675X), CSX Transportation, Inc. ("CSXT") –
Abandonment Exemption in Ware County, GA

Dear Secretary Quinlan:

On January 9, 2008, the City of Waycross, GA ("City") filed a Statement of Willingness to Assume Financial Responsibility for a 1.08-mile rail line in Waycross between mileposts AP-588.84 and AP-587.76, in Ware County, GA (the "Line").

By decision dated February 1, 2008, in the referenced matter, the Surface Transportation Board granted the request for the notice of interim trail use on the Line, which was subsequently extended at CSXT's request. The extension will expire on March 27, 2010.

The parties continue to negotiate a trail use agreement on the Line. Therefore, the City respectfully requests the Board to reinstate the interim trail use condition and grant a 180-day extension to continue negotiations.

Sincerely,

Huey W. Spearman
Attorney City of Waycross, GA
